

**Greetings from Janet P. Paredes, NADA Philippines
and Kata Japunčić, Sydney**

Congratulations NADA Germany on your 30th Year Anniversary!

You have gone a long way in propagating the NADA Spirit. Through the hard work and dedication of your members and leaders, you have reached this milestone of three decades of service.

NADA Philippines warmly celebrates with you your organization's growth, goals and accomplishments. We wish you all success in your conference today and in your plans for the future.

May we continue our positive relationship and camaraderie over the years, and may we share dreams of continued service and commitment to our less fortunate brothers and sisters globally.

NADA Philippines would like to thank you for your unending support to us over the years!

WE LOVE YOU!

Mabuhay!
