

A Poem for NADA Germany

I met you all in 2012 in Berlin, NADA Germany Conference
It was my first NADA conference in Europe
My first NADA conference was in 2004 in Denver Colorado

I first met NADA Germany Trainer, Sieglinde Wilz
It was raining that night I arrived in Berlin in April 2012
A very kind lady, Sieglinde Wilz, gave me a room in her house.

I met for the first time Dr. Ralph Raben, NADA Germany
President, a very kind hearted man.
Wolfgang Weidig, Dr. Peter Summa-Lehmann, Dr. Evmorfia
Fromme, and TCM Social Forum President Sylvia Kohn Pandey

You were all so happy and very entertaining
That was my first speaking engagement in Europe
Although many times in the United States

I truly appreciate your hospitality and warm heartedness
Your assigning an interpreter for me, Martina Pech
That was awesome! That was great! Well Appreciated!

You have reached three Decades indeed
NADA Germany is 30 years and counting!
Your generosity in helping us (NADA Philippines) over the years is
indeed something we cannot forget

We cannot thank you enough for your Big Big Heart
Congratulations for reaching Three Decades
Happy Happy Anniversary, NADA Germany
